Judy's life was unravelling . . . from the inside. Her sadness was more than she could take and she wanted to die. But was that to be her destiny? **NO FRIGGIN' WAY!!**

Dirty Laundry is an engaging and poignant tale dealing with a health issue affecting thousands of Canadians everyday. Witness an intimate struggle, and eventual triumph, in one woman's heroic lifelong journey into, through, and out of mental illness.

It is a true story.
